

CSCA RULES COMMITTEE REPORT FOR 2025 AGM DATE: APRIL 2, 2025

- Members: Britta Spiring, Debbie Bryson, Derrell Sears, Elain Hughes, Rick Robinson
- The Rules Committee was tasked with a full review of the Rules document prior to the 2024-2025 season and the resulting changes are summarized below:
- a) Positioning during timeouts, b) Extra End changeover clarification, c) Travel down the ice after a shot clarification, d) The point at which sweeping can begin clarification. These changes were sent to the CSCA Executive for approval and were implemented in the current Rules document posted on the CSCA Website.
- In addition the Rules Committee was asked to review the current 3 Rock Rule for consideration of any possible changes necessary. The committee implemented a Pilot Project across the country. See attached outline with results of the Pilot Project.
- The Rules Committee also provided input to the Championship Committee on pre-game practice format for use in the National Championships.
